The Ideal Tonic for the Whole Family

For more than a quarter-century Pepto-Mangan has been the Standard Family Tonic in thousands of homes in America and Europe.

If your vitality is below par, if you or your wife has weakened under the strain of household or business cares, if one of your children is inclined to be anemic or does not seem real well, a course of Pepto-Mangan should be taken.

Its beneficial results will soon be apparent. For Pepto-Mangan strengthens the very source of health and vigor-the blood-by charging it with iron and with thousands of new vigorous, health-making, red blood cells.

Gude's Pepto-Mangan "The Red Blood Builder"

Its enduring and ever-increasing success is due to the fact that Pepto-Mangan is a True Tonic, which rebuilds health and vitality on a sure foundation-it rebuilds the body by rebuilding the blood.

That is why it has for so many years proved itself invaluable to the medical profession and to the public, as a general tonic for pale, unthriving children, over-tired men and women, weak old people, and for those who are seeking strength after illness.
